Our Guarantee to You

Kp28 Dental Laboratories guarantees that every order is of the utmost finest quality, made to your specifications as noted on the RX and to fit your working model. For remakes, send back the original models and restorations so that we may evaluate the case.

All returned cases will be remade at no additional cost, or full credit will be issued upon review of all restorations.

Subject to scheduling availability.* Estimates are available upon request. Please call (916) 274-4072 for more information. All estimates that change during case fabrication beyond 15% will be approved by the prescribing doctor prior to fabrication.

Kp28 Dental Laboratories offers a 2 year warranty against failure due to materials and workmanship on all ceramic restorations unless otherwise noted.

Kp28 Dental Laboratories offers a 5 year warranty against failure due to materials and workmanship on porcelain to metal restorations unless otherwise noted.

Terms: Outstanding balances not paid within 30 days of statement date are subject to a delinquency charge of 1% per month. Balances not paid within 30 days of statement period are subject to C.O.D. The dentist will be responsible for all collection costs, including attorney's fees incurred in the event the account collection becomes necessary.
